Make a big difference
to homeless animals

Make a significant difference by becoming an Adoption Angel

While you can't adopt every single animal that pulls on your heartstrings, you *can* still make a profound difference to them by becoming an Adoption Angel. This sponsorship program allows you to make one tax-deductible donation to help provide shelter, medical care, enrichment and hope to animals in our care for an entire calendar year.

Regardless of the species — dog, cat, horse, rabbit, etc. — becoming homeless is stressful. Animals arrive frightened and alone, sometimes sick or injured, and we do everything possible to reduce their stress, allow them to recover, heal, and wait for the new love of their lives.

We can only do this work with your support. Thank you for making compassion possible.

Recognition of your generosity

Adoption Angels are recognized with a brushed silver tone plaque that will hang on our kennels or stalls for the year (depending on what type of animal they choose to sponsor)... and each plaque carries a message unique to that sponsor.

The plaque can display a name or business, or that of a beloved person or pet. It is a wonderful way to make an honorarium or a memorial gift.

Adoption Angels can renew their sponsorship or keep the plaque at the end of one year.
