

Give Smart
BEFORE 2026

Plan your year-end giving the smart way!

Finish the year strong with a non-cash gift to the New Hampshire SPCA

Strategic giving options can offer big benefits for you and real impact to help care for animals in need. The NHSPCA has partnered with FreeWill to make giving smart easy, fast, and secure! Consider these non-cash gifts this season to make your giving easier for the animals.

- Gift appreciated stocks
- Have a Donor-Advised Fund? Recommend a grant
- Donate from your IRA (if you're 70.5 or older)
- See the potential tax savings before you give

Gifts received by December 31 are eligible for 2025 tax benefits. Additionally, they can be counted toward our year end match! **Visit partner.freewill.com/smartgiving/nhspca or scan the QR code to start your gift today!**

If you have questions, please contact Sheila Ryan at 603-773-5706 or email sryan@nhspca.org.

Thank you for being part of our lifesaving work!
