Step right up to save lives!

Sunday, June 7 at Stratham Hill Park

For more than 150 years, homeless and helpless animals have benefited from the lifesaving rescue and critical care of the New Hampshire SPCA. By supporting Paws Walk, you'll help give them the second chance they so greatly deserve!

Paws Walk is our largest community fundraiser and one of New Hampshire's most popular, dog-friendly events. It's a celebration of companionship for the whole family, with a fundraising walk and festival at Stratham Hill Park.

As a sponsor or vendor, you'll gain valuable exposure in front of our animal-loving audience — at the event, online, and at our Stratham campus!

We're a four-star rated, 501c3 non-profit organization serving New Hampshire, Maine and Massachusetts and rely solely on the generosity of community members like you to help us provide exceptional resources, programming, and care to homeless and abused animals.
