

Rolling Meadow Pet Cemetery

Cemetery location: 22 Union Rd, Stratham, NH 03885

Please contact the NHSPCA at rmcp@nhspca.org or (603) 772-2921 for questions or assistance.

Our burial season is typically May – December. We schedule burials Monday-Friday (burials are not available on weekends). If space is available, we may be able to hold your pet in our care through the winter season until weather allows burial to take place. There is a small holding fee of \$10.00 per month.

If the scheduling allows, we may be able to pick up an animal within 20 miles of Stratham NH, Monday through Friday, for a flat fee of \$25.

Plots type and costs

Plot type	Specifications	Cost
Burial Plot with Upright marker*	Specs for upright: 20" L x 12" W x 18" H	\$750
Burial Plot with Flat Marker*	Specs for flat: 18" L x 10" W x 6" D	\$650

Please note: Individuals may select the plot type; however, the plot location is assigned by the NHSPCA and based on plot type, availability, and other factors.

Polly's Garden

Polly's Garden is a beautiful cobblestone cremation garden located within Rolling Meadows. Trees, benches, and flowering plants make Polly's Garden a wonderful place for a beloved pet to rest and for their loved ones to come visit.

Plot type	Specifications	Cost
Burial of ashes only	Includes engraved cobblestone: 8"L x 4.5" W	\$300
Burial of ashes in an owned plot	Specs for flat: 18" L x 10" W x 6" D	\$75

Please note: The NHSPCA does not offer crematory services. Contact Purdy Funeral Service for crematory services through Pet Passages (contact details below)

Caskets

Our caskets are made of strong styrene (durable plastic), have an air-tight design, and a special sealant that prevents water seepage. Standard (Small – Large) caskets are included in the burial price.

X-large caskets (for larger breed dogs) are considered non-standard and cost \$200.00.

Markers

Markers need to be purchased by a verified local memorial marker company. Below are recommendations to purchase grave markers for burial plots. These companies will work with you to select a monument that fits the specifications above and are responsible for the placement and installation of the monument. **For liability and safety reasons, Rolling Meadows does not permit NHSPCA staff, volunteers, or the families to install memorial markers.**
